- 1. Begin by explaining that Jesus was a child once, just like them. Then ask them what things they like to do. Next, tell them you're going to read to them about the things Jesus liked to do when He was a little boy. After reading the book of your choice, let the children know that they will be doing things that little boy Jesus might have done.

There are many books about Jesus. The important thing is to choose one that meets the Little Lamb interest and vocabulary level.

- 2. Songs are fun when you make up new words to a familiar tune. If you are extra courageous, you may even add motions. Many teachers visit "sign language" sights to see keywords so that they can start working on the Sign Language award with their students, even while earning this award!

This song is from Barbara Mullins (Philippines).

Song Idea: To the tune of "Frere Jacques" or "Where is Pointer"?
